

FARM TOUR OF LEELANAU COUNTY

Hosted by the Michigan Chapter of the Soil and Water
Conservation Society (SWCS)

Friday - October 1, 2010

10 a.m. - 3 p.m.

\$35/person which includes lunch and transportation by Charter Bus.

\$30/person for SWCS Members.

Pre-registration is required and space is limited.

- **Meet at the MSU Extension NW MI Horticultural Research Station
(6686 S. Center Highway, Traverse City, 49684)**
- **Travel to Garthe's cherry and apple farm near Northport. Gene Garthe, Dr. Bird and Mark Whalon will discuss the current chemical free research being done on the farm.**
- **Travel to 9-Bean Rows Community Supported Agriculture (CSA) farm. View an operational organic seasonal high tunnel (SHT) and see the construction of new SHT.**
- **Travel to Blackstar Farms near Suttons Bay. Lunch made from food grown in the SHT on site. Tour the farm operation, view the SHT and visit the winery.**
- **Travel to Light of Day Organics near Cedar. Grower and producer of biodynamic organic handcrafted teas.**
- **Travel back to the NW MI Horticultural Research Station.**

Please call Jason or Maureen for further information or questions at (231) 941-0951 extension 3.
